

**COURTESY LISTING POLICIES**  
**Last Updated: September 2009**

Hayden's Promise is dedicated to helping rescue and re-home domestic pets that have been found or are displaced by events in the lives of their humans. Because we may not be able to foster the pet(s), we partner with individuals and families in the community to spread the word about these deserving animals. We will include needy pets in our adoptable pet listings (published on pet adoption networks across the Internet and occasionally in local press) at no charge, provided the following conditions are met:

1. Humans (hereafter "You") requesting a courtesy listing for their pet(s) must be willing and able to foster the pet while it is available for adoption.
2. You agree to provide complete and accurate information for each listing and must keep HP updated on the status of the pet so we can keep our listings updated. This includes the following: name, age, gender, breed, color, markings, description, and whether the pet has any problems with small children, cats, or dogs, has been declawed (cats) or has special needs (medical conditions, vision loss, hearing loss, etc.).
3. All diagnosed medical conditions must be disclosed. This includes heartworm infection/treatment and tick-borne disease infection/treatment. Additionally, veterinary records must be made available to adoptive persons or families.
4. All pets listed by Hayden's Promise (hereafter "HP") as a courtesy to individuals and/or families must be spayed or neutered (or scheduled to be spayed or neutered) and up-to-date on vaccinations.
5. If a dog to be placed has ever bitten (whether or not it broke the skin) or attacked a human or other animal, or has been trained or involved in protection or attack work or Shutzhund, you must disclose this fact. HP reserves the right to temperament-test any such dog before presenting it to the community for adoption.
6. For best response you should include at least one photo of each pet. (Subject to availability, HP may be able to help if you need a photo of your adoptable pet(s).)
7. HP assumes no physical or financial responsibility for the care of courtesy listed pets. If you are in need of this type of assistance, you should email or call HP to see if funding is currently available.
8. For your pet's safety, a minimum adoption fee of \$10USD for each pet must be assessed, i.e. no "free to good home" posts.
9. Request for a courtesy listing constitutes a binding agreement of these terms between the pet's human(s) and HP.
